Finally, Doc Dan reached Mr. Choi's residence and said: *"Apologies, Mr. Choi for being so late. Let's go ahead and get started right away"...*

CHAPTER # 34 - SUMMARY

Doc Dan started Mr. Choi's treatment for back pain which relieves so much to him. Mr. Choi is thinking he shouldn't allow Doc Dan to go back tonight as he is much aware of Mr. Joo's nature. He is of the view that Mr. Joo sleeps with the people but he never actually forms attachments.

Mr. Choi and Mr. Joo met in "**Royal Spa & Sauna**" where Mr. Joo asked him: *"What the hell are you doing here"*? he replied: *"What, you think you are the only VIP around?"* Mr Choi asked him about Doc Dan: *"You just work together, right? Nothing more? I want to be clear about your relationship"*. He also said: *"It's almost like you don't want Doc spending time with me. You don't actually have feelings for him, do you?"* Mr. Choi left the spa while asking Mr. Joo to allow Doc Dan to have a date with him.

Mr. Joo seems angry in the gym. Dan receives a message from Mr. Choi came to his residence tonight for treatment. Dan replied: *"Sure Mr. Choi. I can come by. I'll just make it real quick this time"*.

As Doc Dan prepares himself to go towards Mr. Choi's residence, Mr. Joo comes and asks him: *"Choi Heesung just called. Something just came up, so he needs to cancel"*. He also said to him: *"There's something I want to try with you. And since you're now free tonight, you'll do it, right?"* Meanwhile, he sent a message to Mr. Choi: *"You still want to be clear about my relationship with Doc Dan, right? Then come to my house?"*

As Mr. Choi reaches Mr. Joo's residence, he is surprised to see what's going on inside. Mr. Joo is riding very rough with Doc Dan. Mr. Joo said to him: *"Keep your hands off what's mine"*. Mr. Choi left his house in anger...

CHAPTER # 35 - SUMMARY

Doc Dan asked Mr. Joo: *"Was someone just here? No..Right?"*. No one was here, Joo replied and he left the ride incomplete. The next day, Dan met with Mr. Choi in the café for some discussion. Mr. Choi revealed the truth that he doesn't actually have any back pain and he did so only to keep seeing Doc Dan. He wanted to cancel the deal as he had seen Doc Dan with Mr. Joo last night.

Dan also wants to focus on Mr. Joo's physical health so he asked Mr. Choi said that he would appreciate it if Mr. Choi takes back all the expensive gifts which are still unopened. Dan said: *"I'm sorry but I did enjoy the time we spent together. You'll*

meet someone far better than me". He replied: "Jaekyung doesn't deserve you. Honestly, if you have shown even the slightest bit of interest in me, I would have kept trying to win you over, but Jaekyung made it impossible". Meeting ends with the remarks of Mr. Choi that Jaekyung has feelings for Doc Dan.

Team black gym members including Mr. Hwang met Mr. Choi in the bar in the night. Mr. Choi confirmed to them that he wouldn't be coming to the gym again as he has been rejected. Being alone, he offered them to join him for drinking which they accepted. Being drunk, Mr. Hwang asked Mr. Choi: *"What do you think Love is?"* He replied: *"Just a pretty face and a nice personality, the kind of thing where you are happy just looking at them"*. Upon seeing Mr. Hwang's condition, Mr. Choi realized that he is also in the middle of a tragic one-sided crush.

Mr. Joo received a message from a Sports journalist asking him to comment on a given article. As he clicked on the link given, he was surprised to see the content of the article mentioning about the serious injury of Mr. Joo and speculating that the international mixed martial art champion may have reached his expiration date. *"Is This?"*, Joo is thinking...

CHAPTER # 36 - SUMMARY

The next morning, Mr. Joo is looking very harsh at the gym and bashing the gym members very badly. Manager announced that he has received the jackets for gym members and all may collect them one by one. Suddenly all are rushed towards collecting their respective jackets and Mr. Joo is looking smart while wearing black jacket. As the order has been placed prior to joining Doc Dan, so there was no piece

left for him, therefore, Mr. Joo gifted his own jacket to Doc Dan. Dan is thinking how much Mr. Joo had contributed towards him.

In the break room, there is a meeting held with Team Black and Joo Jaekyung's attorney to address the matter reported in the media about the false news of Mr. Joo's injury. She is surprised to see the public comments on social platforms and is sure this false news has gone viral by the hospital. She is committed to take a legal course regarding the more defamatory comments.

Manager and attorney asked Mr. Joo if he is interested in a match with "**Dominic Hill**" a middleweight champion as Mr. Joo needs to demonstrate his strengths and it could help in restoring the damage caused already by the fake news. As the opponent is middleweight champion, so Mr. Joo needs to lower his weight in order to qualify for the match and there is only one month left for the match. Joo agreed as he is of the view that he needs to prove his power in the ring and it is the best way.

As the match is to be held in the US, therefore, Joo's manager asked Doc Dan to get himself ready for the tour as some other members including Mr. Hwang will be traveling also. As Doc Dan never traveled outside so he became stressed to leave his grandma for a certain time. Mr. Joo, who is already passing through stress, bashed Doc Dan again through his typical rough ride.

So the days passed, and the team arrived in America...

CHAPTER # 37 - SUMMARY

"A truly show-stopping match between a middleweight legend and a light heavyweight legend awaits us", the reporter said. Doc Dan is amazed to see Mr.

Joo's popularity across the borders and is thinking that he has not taken rest yet. Mr. Joo started his running and doing heavy practice immediately. He is looking harsh with everyone.

Doc Dan feels he must do something extra to help Mr. Joo through all this and it could be relaxing his muscles before sleep or even to fulfill his pre-match jinx.

Mr. Hwang is feeling worried about Mr. Joo's harshness and the coach advises him it's not easy to stay with Jaekyung. Doc Dan thinks that he is not helping Mr. Joo in an effective manner and suggests to the coach that he must be replaced with some other team member. Coach suggested him as this is his first match abroad so try not to be nervous at all. Meanwhile, he offered to have dinner with them.

Suddenly Mr. Joo comes inside and is surprised to see them having dinner. He said: *"You think this is why I brought you here?"* Dan said sorry to him immediately but Mr. Joo bashed him. There is only 12 hours left in the match and Mr. Joo needs to lose 7 Kgs in order to qualify for the match. The procedure started and it's quite tougher for Mr. Joo to keep himself in the hot water for a longer period.

The next morning, he succeeded to qualify by loosening his weight. Now, it's time to take his nutrition shake. Meanwhile, the doorbell rings and there is someone from MFC staff who gives a glass of nutrition shake to Doc Dan and asked him to give it to Mr. Joo as part of his healthy diet. As Mr. Joo had already taken the shake, Mr. Joo's manager suggested Dan take it himself. As Doc Dan takes it, his body is burning...

CHAPTER # 38 - SUMMARY

Doc Dan is feeling dizzy and his body is burning. He is lying down on the bed and is surrounded by Mr. Hwang and the coach. Mr. Hwang asked: "*Maybe it's an allergic reaction or something? Did you eat anything weird, Doc?*" Suddenly he remembered that Dan had taken the nutrition booster and maybe it resulted in raising his body temperature. He also suggested that Dan consult with the doctor but Dan is of the view that he will be fine while taking proper rest.

They both went out to sleep as tomorrow is the big match but Doc Dan is feeling uncomfortable. His body is feeling hot and he can feel his heartbeat through his whole body, head to toe. There is also another reason behind as he has been addicted to fulfilling Mr. Joo's pre-match jinx and it is causing him anxiety. He went to the washroom to try to feel good by doing this with his hands. As he comes out, he is still feeling uncomfortable.

At last, he went to Mr. Joo's room and requested him to fulfill his jinx...

CHAPTER # 39 - SUMMARY

"You brought me here for your Jinx, right? Please give it to me", Dan said to Mr. Joo, who was surprised to see Dan's condition. He said: "Have you really lost it?" He asked him to come back in a couple of hours but Dan is not willing to move. He said: "I tried it but it didn't work. Please help me".

Mr. Joo agreed and asked Doc Dan to show his intent. Dan started to fulfill his desire as well as Mr. Joo's pre-match jinx. By watching this, Mr. Joo realized that Dan had eaten something weird which made him so burning. Mr. Joo has started his rough ride and this time Doc Dan is not complaining any more. In a state of dizziness, Dan expressed his feelings to Mr. Joo and said: *"I Love You"*. Mr. Joo was shocked...

CHAPTER # 40 - SUMMARY

The next morning, Mr. Joo took a shower, got ready and moved towards the arena while Doc Dan was still sleeping. Suddenly Doc Dan woke up and saw there was only half an hour left for the match to begin so he rushed towards the ring. All are present there to support Mr. Joo and he is aware of the fact that today's win will be enough to counter his critics.

Match begins with the signal of the referee and Dominique throws an elbow and it's a solid hit indeed. This solid hit left Jaekyung with a bleeding eye. No doubt, this is going to impair his vision in the next round. In the next round, Jaekyung flies in like a bat out of hell and gives a solid hit to his opponent. Dominique is honing in on Jaekyung's left shoulder hit after hit. Wow, a swift counter attack from Jaekyung. Ladies & Gentlemen, Joo Jaekyung emerges victorious.

Mr. Joo's manager congratulated him for this splendid victory, meanwhile Mr. Hwang informed him that he saw Doc Dan walking out with security. It could probably be an investigation about the nutrition shake. Security man started interrogation and put a series of questions in front of Doc Dan:

- What symptoms did you experience?
- Was the nutrition shake the only thing that you consumed yesterday?
- You didn't take anything else? No other medication?
- What time did you receive the drink?

He took his blood sample and sent it to the forensic for a detailed medical report in order to check if there is a drug sample found in the blood. Doc Dan told him that he can't speak English so he wants an interpreter.

Suddenly Mr. Joo came there and shouted at the security staff for their non-professional behavior and raised a question on their security. He took Doc Dan along with him. Upon asking a question by security staff about Mr. Joo's relationship with Doc Dan, he said: "*He's one of my own*". Doc Dan was shocked to listen this sentence from Mr. Joo...

CHAPTER # 41 - SUMMARY

As a result of the recent win, the media and public reached a fever pitch after proving that no injury could keep him from victory. Everyone is excited and Mr. Joo's match fee has been doubled.

Upon reaching back, Doc Dan went to the hospital and gifted a scarf to his grandma. She told him that she watched the match on TV and showed his affection and love towards Mr. Joo for being so caring for Doc Dan. Dan is thinking about Mr. Joo and is getting realized about his feelings for him. Mr. Joo has always been on his mind.

In his meeting with Mr. Joo, Dan asked him about the update on the investigation regarding nutrition shake. Joo made him clear that no narcotics were found in the drink. He also said: *"Just imagine if I'd been the one to knock back that drink, the match would have been canceled right then and there"*. He asked Dan: *"You really don't remember anything from that night?"*, Dan replied: *"No, after I got to your room, I blacked out"*.

Three weeks before Mr. Joo's birthday, his local and foreign fans started sending him a lot of gifts and much more yet to receive. Dan is thinking, Mr. Joo is thrilled to receive birthday wishes and gifts but the case is quite the opposite as Mr. Joo prefers his birthday charity project.

Mr. Joo's manager asked him if he is ready and fit for the next match. He immediately showed his willingness but Doc Dan is curious about his shoulder injury. He requested Mr. Joo that his shoulder is not in a good shape and he must be consulted with a doctor but Mr. Joo said: *"Don't push it, I know my body better than anyone else, so shut it and start taping"*. Dan said: "I'm sorry"...

CHAPTER # 42 - SUMMARY

Doc Dan is comparing Mr. Joo's recent medical reports with the previous one and the difference is obvious. Mr. Joo's shoulder injury could be worse and may affect the other body parts as well. Dan is thinking he needs to do something different for Mr. Joo to alter his mindset. Suddenly he remembered, Mr. Joo's birthday is coming up so he can shift his mood by giving him some gift which he doesn't have already.

On searching, he came to know that Mr. Joo's leather keychain is no longer in a good condition so he can gift a keychain to him but he was shocked to see the price of the keychain is worth \$700. As he couldn't afford such an expensive gift, so he decided to go for some extra mile and to save more money through which he can buy a gift for Mr. Joo. Dan started a food delivery job at night to earn some extra money.

At the Sports Rehab Center, the trainer told Doc Dan: *"If he keeps going at this rate, he's going to need surgery. For now, he can make do with the one good arm"*. Dan replied: *"Okay, I'll talk to him"*. Dan tried to convince Mr. Joo but he gave a shut-up call to Doc Dan in return.

Dan knocked on the door to deliver some food, he was shocked to see a person who looked familiar. He remembered the person was Mr. Joo's Ex-Lover. He started explaining to Dan about Mr. Joo's mindset and his attitude towards his partners. He said to Dan: *"You and I are no different. Don't be an idiot and delude yourself into thinking you're special"*. He also said: *"Once he gets sick of you, he'll toss you to the curb, just like he did with all the others"*. Dan was shocked...

CHAPTER # 43 - SUMMARY

On his way back, Dan is continuously thinking about what the guy said to him about Mr. Joo. He is thinking if he is only considered as a toy to fill Mr. Joo's jinx. In the state of anxiety, he suddenly falls down and gets hurt. As he was doing physical therapy, Mr. Joo noticed his injury and asked: "*What is this? Let me wipe you down*".

It's dinner time and Doc Dan is sleeping on the table. Coach confirmed Mr. Joo: "*Lately he's been skipping dinner to sleep. Just let him be*". Doc Dan received the gift which he bought for Mr. Joo the day before his birthday and it includes a birthday card as well. Mr. Joo asked Dan to come for work and they both went towards the gym.

Upon reaching the gym, all the members arranged a birthday celebration for Mr. Joo which he was not expecting. This made him angry and he said: "*What the hell is all this?*" Coach came up and said: "*They went through all the trouble to set this up. Don't be mad at them*". Everyone is enjoying eating cake and is ready for the delicious dinner party hosted by Mr. Joo.

On the dinner table, Mr. Joo's manager asked Doc Dan: "*I think we scheduled his next match way too soon*". Dan replied: "*That's fair, I worry about that too. He pushes himself because he hates to lose*". Mr. Joo took dinner and ended up having a drink. He also told the gym members that Doc Dan is going home with him. Mr. Joo said: "*I'm drunk, so lead the way*". Dan is surprised as he really is drunk...

CHAPTER # 44 - SUMMARY

Mr. Joo said to Dan: "*Was it you who got me drunk?*", while Dan said sorry to him. Dan is helping him in reaching his bedroom and asking him to change his clothes and shoes. Joo, feeling sleepy, laid on the bed in the same way. Upon Dan's request to get up for a second, Joo started removing his shirt and asked Dan if he was willing for the ride.

Dan is thinking about Joo's situation as this was the first time he asked him for his willingness and it seems he is a completely different person. He showed his willingness and got ready for the ride. Dan is feeling excited and is enjoying its warmth and smell thoroughly. He wished time would just stand still...

CHAPTER # 45 - SUMMARY

The next morning, Joo woke up and was thinking: "What happened last night?". The doorbell rings and the postman delivers a pretty big shipment consisting of gifts sent by his manager. Meanwhile, Dan woke up on alarm beep as today is Mr. Joo's birthday. He rushed towards Joo and wanted to present him the gift he bought earlier.

Mr. Joo is feeling a headache and Dan said: *"Oh..I'll whip you up some soup to relieve you"*. As Joo doesn't like the gifts, Dan is thinking if he should reveal the gift as Joo has done so much for him. Dan asked him if he would come up with some external remedy for his current situation. Dan presented Joo a "Car Keyring" as a gift which made Joo surprised at all. Upon asking the source of the gift, Dan confirmed he chose a delivery boy job at night for some extra miles.

Mr. Joo asked: *"Hey, Kim Dan, who asked you to buy this for me? I told you, your main concern should be my physical condition. Do you really think I'd be happy to receive this piece of junk?"* Dan expressed his feelings to Joo who said: *"Listen carefully, I hired you as my physical therapist and paid all of your debts, focus on my physical health as my new match is around the corner, otherwise I'll replace you with another guy" ...*

CHAPTER # 46 - SUMMARY

Dan was surprised to see Joo's reaction towards him. He realized that both Mr. Joo and his ex-lover were right. He felt that he should be realistic as there was never anything between Mr.Joo and him.

During a sparring session with the athlete, Mr.Joo asked him "For all your bragging about the numerous nationals under your belt, yet you can't even last four rounds?" He replied: "You think you're better than everyone? Stop letting that champion title get to your head, and learn some basic human decency first!" Joo's coach advised him to show some respect towards fellow athletes as they are professionals in their own right and if they keep leaving like this, our gym's future is not looking too bright.

Joo;s manager advised him that they should be more careful these days as people are planting spies at various gyms to bribe athletes and what if your boys might give away your game plans. He also advised Joo's coach to look after carefully if any of our guys are stirring up rumors and also see what's going on at the other gyms.

Someone is planning to teach a lesson to Joo by giving him a nutrition drink.

CHAPTER # 47 - SUMMARY

MFC Alfredo (Jaekyung's opponent) has withdrawn from the match due to the injury sustained during training. The match will be held with the different fighter "*Baek Jumin*" who is new to the MFC but has gained a star quality and got matched up with a champion so early in his career. All the gym members are curious about the new opponent as there is not much information available about him.

Baek Jumin was like a living legend in the underground fighting ring and all are worried to know this as he's gotta be a total thug with zero manners. Joo's manager is confident that he has experience and a good physique so he can finish his opponent off with a decisive strike.

Doc Dan is focusing on his work only rather than thinking more about his past relationships with Joo. He is conscious about his grandma's medical reports and is thinking about his past when she grew him up with love and affection. It made him surprised when medical staff revealed the results of medical reports as the disease is not in control and the worst outcome may be expected. He was broken in front of

his grandma and meanwhile he received a message from the executive director of Baek Jumin's gym...

CHAPTER # 48 - SUMMARY

On the next day, someone met Doc Dan who introduced himself as the executive director of Baek Jumin's gym and asked him for his time. Initially Dan was not interested to meet him but when he informed Dan about his grandma's medical condition, Dan agreed to sit with him.

Following the gossip, he revealed his plan of meeting with Dan. He presented him with a lucrative offer of doubling his salary, a German vehicle for pick and drop and accommodation and asked him to join Baek Jumin's gym. Also, he asked him to reveal the secrets of Joo's physical condition and his game plan for the match. He also tried to convince him by offering advanced medication for his grandmother through his gym's parent pharmaceutical company. Dan decided not to steal Mr. Joo's secrets at any cost.

Upon Joo's arrival at the home at midnight, Dan thought to offer him a massage for relaxing his muscles but he was busy watching his opponent. Dan also tried to reveal his today's meeting with the executive director but Joo was not interested to listen. Dan thought he would share the details later on. Meanwhile, Joo received the pictures of Dan's meeting with Baek Jumin's director from an unknown caller...

CHAPTER # 49 - SUMMARY

One day before the match, there is a face to face interaction between Joo Jaekyung and Baek Jumin who has earned a spot in the final for his remarkable skills. Coach advised Joo to stay calm and satisfied as his skills are far better than his opponent. Meanwhile, Baek's executive director addressed the Joo's coach and Baek Jumin met Mr. Joo. Initially he showed some respect and later on he whispered which shocked him.

While taking a shower, Joo was thinking about Baek's words which were: *"I'll be taking that champion belt soon, so make sure you give her a good polish"*. On the match day, Doc Dan is checking pain relieving spray on himself in order to check

the authenticity. He has become over conscious of Mr.Joo after the nutrition drink incident.

Suddenly, Baek's director came in to the dressing room and started a conversation which make Mr. Joo frustrated and he rushed towards him. As all gym member's attention diverted towards this incident, someone replaced the pain relieving spray in between. Upon applying the spray on Joo's feet, it started showing adverse reactions...

CHAPTER # 50 - SUMMARY

Baek's director confirmed with his assistant about the successful replacement of Jaekyung's pain relieving spray. Director said that he has already sent a picture with Joo's physiotherapist to him to shake things up. Meanwhile, Joo's foot starts burning and Naamwook asks Dan: *"Explain yourself Doc Dan! Didn't you check for any issues with the spray ahead of time?"*. Dan replied: *"I did just now actually, it was fine just a moment ago"*.

The match was about to start in fifteen minutes, so Joo decided to dress the wound and wear an ankle guard. Dan tried to start dressing but Joo smacked him and said: *"Don't touch me"*. All members are showing concerns about Joo's foot condition. Doc Dan is in a state of surprise about what is happening around.

Joo Jaekyung is entering the ring and this is the tenth title defense, truly an impressive feat. Match begins and Baek Jumin is coming with a clinch and he is stomping on his visibly injured foot as this does not officially constitute a foul. Jaekyung is hitting back with a vengeance. In the next round, Baek hit Joo's weaker left shoulder to take him down which made Jaekyung in trouble. Jaekyung throws an elbow and both fighters are back on their feet again...

CHAPTER # 51 - SUMMARY

"We will now resume the match", the referee said. Joo Jaekyung starts hitting on Baek Jumin's face and throws a round kick after that. Baek Jumin executes a clinch

and is attacking on his injured foot. He avoids Jaekyung's right hook and immediately counters with a calf kick.

Joo Jaekyung is struggling hard and his foot injury is making him in trouble to put any weight on his leg. Jumin said to him: *"Your punches are so slow, I can see them coming from a mile away!"* Round four has been concluded and the final round has started. Baek Jumin is using the old in-and-out strategy and is racking up points with his clean and effective strikes while Joo is struggling to dodge him.

Match is ended and all are waiting for the judges to announce the winner. The result is announced as **"A Tie!"** It was certainly a close fight but this is the first for the champion Joo Jaekyung. After a series of glorious winnings, this outcome can be considered as a devastating loss.

Doc Dan comes and says to Joo: *"I'm sorry, sir... I should've taken the time to double check.. I swear it was fine when yoon-gu and I checked"*. As Joo has seen the picture of Dan with Baek Jumin's director so he starts considering him as a **"Spy"**. He asked Dan: *"How much money did Baek Jumin offer you?"* It was unbelievable for Doc Dan and he replied: *"I would never do that to you ...not even for a million dollars"*. Joo said: *"Get out of my sight"*.

CHAPTER # 52 - SUMMARY

Jaekyung is admitted to the athlete's center where a doctor examined his foot and said: *"Due to the assault on his ruptured blister, he needs proper treatment to heal, however, for his left shoulder, he needs to consult a reputable hospital as soon as possible"*.

Suddenly they were amazed to see Baek Jumin who was in the next bed. His director is praising him for his fight against Jaekyung. Jumin said: *"Joo Jaekyung's all talk, he was nothing special. Am I now an interim champ then?"* He addressed Joo and said: *"Next time I won't go easy on you. You ain't even the champ anymore"*. It resulted in loss of Jaekyung's temperament and he rushed towards him to throw a punch.

Media spread the news of Jaekyung's disqualification for 90 days as per MFC medical issue disciplinary action and is undergoing a shoulder injury. As Mr. Hwang reached the gym, he came to know that the majority of the gym members left and have joined Baek Jumin's gym which surprised him very much.

As he came out, he saw one of the outgoing members met him and took him to a restaurant where all other members were sitting. They tried to convince Mr. Potato leaves Team Black's gym as there is nothing left after Jaekyung's defeat and disqualification but he is denied. Meanwhile, he heard how Baek Jumin's director bet on this fight and swapped Jaekyung's medical supplies in order to make him suffer a loss.

Mr. Hwang went to Jaekyung and told him the entire truth and confirmed to him that Doc Dan is not a spy, rather he checked all the supplies carefully. Nammwook said: *"You were too harsh on him this time. You blew up on him without even getting the facts straight"*. Jaekyung got hyper and his manager slapped him this time for being so heartless. Kim Dan is not there at all...

CHAPTER # 53 - SUMMARY

Who gave you permission to-*", meanwhile, he found Dan's resignation letter on the table. Dan has resigned from the job of physical therapist and promised that he would gradually pay all his debts on a monthly basis.
